A message from Fr Richard.....

The Friends of Christ the Saviour was formed to undertake projects to help preserve, restore and enhance our beautiful church. It is open to all people to become members whether they are churchgoers or not - anyone who loves the church or who wishes to have contact with it.

I do encourage you to become a member of The Friends. It is not expensive. **The subscription for 2020 is just £10 for individual membership or £15 for a couple.** You will find a Joining Form with this message so please complete the form and return it to our Membership Secretary **Tony Smith** or hand it in to me or one of the helpers in church. If you are already a member then thank you for your past support and please use the form to renew your membership.

Recently the Friends have funded the new carpet round the altar, new church bell muffles and enhancements to the court yard garden. A current project is replacement of the porch gates. There are other projects they would love to undertake but this entirely depends on them growing their numbers.

And it's not just about raising money! Part of the fun of being a member of The Friends is the opportunity to join in social events. The Friends intend to repeat past favourites such as 'Meet the Bell Ringers' (includes a chance to ring the church bells!) pot plants for Mother's Day, quizzes, tea parties and items such as tea towels and cotton bags featuring designs from our wonderful church. We are grateful for new ideas, so please join and suggest ways to bring us together socially.

The success of the Friends depends on its members: more members means we can achieve more for the church. **So please join us!**
